Full patch notes: "Content and download link removed due to publisher copyright violation" Read this article MORTAL KOMBAT is one of the best action and fighting games you will ever play. This game features a variety of characters, each with their own unique abilities, rendered extremely realistically with top-notch 3D graphics. Great wars have begun; Download the game now and show your outstanding fighting skills. WHAT ARE THE KNOWN? UPDATED VERSION The new version welcomes the new Earthrealm device. In this version, new summoned beasts such as Kiba Wolf, Komo Bear or Han's Eagle also appear, and these summoned beasts will effectively help Nightwolf MK11 in his battles. In the new version, the character of the werewolf also becomes stronger. MORTAL KOMBAT doesn't focus too much on tactics, instead focusing on flashy battles. The game screen is set on a route, and you take turns fighting the rulers of the lands you must pass through. Use the left, right, up, and down arrow keys to move, jump, dodge attacks, or combo with combat skills. There are three basic moves you can use, but the surprise factor is how you relate the move to your moves. RICH CHARACTER SYSTEM Choosing a battle character will give you a lot of headaches. A collection of heroes with the best fighting skills awaits youYou can choose from many famous characters like Scarlet, Scorpion, Raiden, Jade, Cabal and Sub-Zero. Each character will have different combat skills and it's not easy to master them all. So the advice for you is to narrow down your choices and spend your time working on certain characters that you like. WAR IS NOT THE SAME MORTAL KOMBAT is not an individual game, but it also requires the solidarity of teammates. Exciting 3 on 3 battles await you. Invite at least two more friends to the game and form a team of 3 to participate in exciting 3v3 matches. You and your teammates can choose the same warriors to increase the strength of the entire team, such as Team Nightmare, Team Day of the Dead, or Team Ronin, etc. conservatively. The more you go through the later levels, the more formidable the opponents will be. Sometimes he easily defeats a weak warrior with one move. So upgrading characters and weapons is something that cannot be done. Upgrade your weapons for increased damage and upgrade your hats and armor for increased durability. You also need to upgrade special skills to make them more deadly when they work. Flawless MORTAL KOMBAT GRAPHICS puts character art and motion reproduction at the fore. Custom graphics will make your experience much better. The sound that is inserted during the fight also adds to the tension of the player. However, the 3D graphics are so impressive that the download resource of the game is also quite large, so prepare a device with sufficient configuration and memory to run this game. KEY FEATURES Embark on epic quests at great prices! Start Outworld and go underground! Mortal Kombat Mobile has impressive visuals and incredible fighting moves that will blow your mind. Other fighters can't match! Customize your character in Feats of Strength. Faction Wars is an online competition, where players battle teams of other players. Winners will receive weekly prizes. Show off your skills in epic battles and unlock new Mortal Kombat fighters! Every week there is a new challenge waiting for you to add to your collection. The best KKI! The Collector's Edition features over 130 Mortal Kombat characters, including veteran Scorpion and Johnny Cage. The MK11 team has unique skills and significant team synergy to inflict agony on your opponents. In MK11, Raiden, Scorpion, Jade, Sub-Zero, Cabal and Scarlet are just as deadly as their console counterparts! "That's the death blow!" Battle with your Mortal Kombat characters to gain experience, new special attacks and powerful artifacts! Join forces with warriors with unique synergies to defeat Team Ronin, Team Nightmare and Team Day of the Dead!
